

KIMBERLY ROSS, 36

August 25, 1999 – Omaha, NE

Kimberly died from skull fractures and brain injuries sustained when her former boyfriend, James McDermott, pushed her down a flight of stairs. Two of Kimberly's children witnessed the attack. Three separate women, including Kimberly and McDermott's ex-wife had protection orders against him for physical abuse and/or death threats. McDermott was sentenced 18 to 20 years in prison. He was released on discretionary parole in 2009.
