

TRAMAR CHANDLER, 7

November 17, 2000 – Omaha, NE

Tramar was strangled to death by his mother's boyfriend, Arthur Lee Gales. Gales murdered Tramar and raped and strangled Tramar's 13-year old sister, Latara, to cover up his attack on their mother, Judy Chandler. Police found her the next morning with her head bashed in beside railroad tracks near 16th and Grace Streets. Judy Chandler survived, but suffers permanent physical disabilities and the emotional scars from the deaths of her children. Gales is awaiting execution on Nebraska's death row.
